

Application to Earthquake Relief Fund for Government funding for primary sector infrastructure repair

NOVEMBER 2016 EARTHQUAKE IMPACTS IN HURUNUI, KAIKŌURA AND MARLBOROUGH DISTRICTS

Ministry for Primary Industries
Manatū Ahu Matua

The fund is to assist rural people whose principal income comes from a primary industry. Funding is available to help pay for costs associated with:

- Restoration of **uninsurable** primary sector infrastructure;
- Re-establishment of **uninsurable** pasture (on cultivatable land), crops, and forestry;
- Initial clean-up of silt and debris (where **uninsurable**).

This includes on-farm access tracks, bridges without sides, dams, reservoirs, water reticulation, and fencing.

- Any grant will be a contribution towards repairs, up to a maximum of 50% of the cost.
- The total claim must exceed \$12,000 for you to be considered for assistance.
- An excess of \$5000 will be deducted from the 50% that is eligible for funding.
- The maximum any one entity could receive from the Fund is \$50,000.

APPLICATIONS CLOSE 31 MARCH 2017.

WHAT IS PRIMARY INDUSTRY?

“Primary industry” for this purpose includes the primary production of meat, wool, or dairy products, arable farming, aquaculture, horticulture, viticulture, forestry, sharemilking, an orchard, apiculture, herb or flower growing, a market garden, poultry farming, and fishing (including pāua, crayfish, finfish) but does not include hobby farming (such as lifestyle blocks).

Document, photograph and keep receipts for work carried out. Total repair costs will be greater than the \$4 million available. People are advised to make repairs that they can afford, rather than have expectations that they will definitely receive a grant.

For more information or help with questions please review the questions and answers on marlborough.govt.nz or contact your local Rural Support Trust.

Other support and assistance is available:

- Contact **Federated Farmers on 0800 FARMING** to lodge requests for help on the farm, and for people wanting to offer help.
- Talk to your accountant, bank and Work and Income NZ to see what other assistance you may be eligible for.
- Contact your local **Rural Support Trust on 0800 RURAL HELP** for a private and confidential conversation.
